Paragon Celebrates 25th Anniversary

COPPELL, Texas – January 19, 2012 – Paragon Relocation, a leading provider of global relocation management services, recently celebrated its 25th year in the global mobility industry. Founded as a mobility consulting company, Paragon has been under the consistent leadership of Joseph Morabito since its founding – making Paragon one of the most stable relocation companies in the industry.

“While many other relocation companies, both large and small, have come and gone in the last 25 years, Paragon has thrived even during the most challenging economic times and is well positioned for the next 25 years or longer, said Morabito, Founder and CEO of Paragon.

Morabito also credits the company’s longevity in the relocation industry to the talent of his employees.

“We have been supported and bolstered throughout the years by our long tenured employees who form the foundation of our company, as well as the significant experience of our senior leadership team. With decades of experience in all facets of global mobility, we have been able to build an exceptional company that is prepared to succeed today, tomorrow and for many years to come,” stated Morabito.

Today, Paragon owns numerous subsidiaries in addition to Paragon Relocation including Paragon Relocation Holdings, Paragon GeoImmigration, Paragon Decision Resources, GenEquity Mortgage, Paragon GeoMobility, as well as many other corporations in numerous countries.
