Paragon Relocation Donates to the North Texas Food Bank

COPPELL, Texas – September 21, 2011 – Paragon Relocation, a leading provider of global relocation management services, underscored the company’s commitment to its core value of community involvement by participating in a fundraiser to support the North Texas Food Bank. Paragon’s Coppell office recently made a contribution to the Food 4 Kids program to provide more than 200 backpacks of food to children in the North Texas area.

“Paragon employees are dedicated to improving the lives of those in the communities in which we live and work. Our Coppell office is extremely engaged in supporting local charities and we are always proud of the initiative and generosity they show,” said Craig Selders, President of Paragon Relocation.

The Food 4 Kids program helps to eliminate hunger among children by providing backpacks full of nonperishable, kid-friendly, nutritious food to chronically hungry children on Friday afternoons to last throughout the weekend. Each backpack contains four meals. The program currently serves over 325 schools in 32 schools districts across Collin, Dallas, Denton, Ellis, Fannin, Hunt, Rockwall, and Kaufman counties. Currently, over 8,000 children receive a backpack each week.
